Letters to the Editor

(Opinions expressed in this publication are not necessarily those of the BHRA. Alternative view points are always welcome.)

Dear Editor

Hats Off to the maintenance team who have looked after the grass, trees and shrubs around the Village over the past year, but **Boo!** to the parents who let their teenage yobby kids roam the streets and public areas, damaging anything that isn't nailed, bolted or cemented into the ground. Do you know where your "little darlings" go after dark?

In the Nov. '91 issue of the "News" villagers were asked NOT to park on amenity land or grass verges, but along Saxon Way cars, vans and sometimes heavy lorries park there for several days at a time. Over 90% of residents in the Village have at least one garage AND hard standing area for cars, vans etc. Why is it that they clog up the narrow streets with cars and other vehicles? Answer, a) They have no regard for other people, and b) they fill their garages with rubbish, so there isn't any room for the car; but they would be the first to throw up their hands if, when trying to squeeze between the lines of parked cars, their own car was damaged.

Also, what about the eye-sore at the only entrance to the Village? I refer to the old Information Centre. Over the years (I've been here almost 5 now) it has been smashed up, boarded up, and patched up. Isn't it about time it was removed, sold or used for something? It's the first thing people see when coming into the Village, and I've had visitors ask me "Why" it's there, as it's never used.

And while I'm in the mood...

The authorities automatically assume that everyone knows where Bar Hill is; they don't. If you don't approach the Village on either the M11 or A604, there are very few signs directing motorists towards the Village. Could we PLEASE have a few more signs?

Believe it or not, I love living in this Village after moving from Girton, but could these things be looked into, PLEASE.

Sincerely,

Robert Barber.

Open Letter to Parents

I've lived in Bar Hill for 24 years. In the past we made our own entertainment with considerably fewer facilities than there are today, helped each other when needed and kept our children in order! Today's parents don't seem to know or care where their children are so long as they are not being a nuisance near home. Seeing children skateboarding or using their bicycles in the Mall often makes me wonder if they have been taught to read. Some of them are lippy and rude. As for being seen outside the "Fox" at any hour of the evening, it was unheard of, as they were well aware it meant a stoppage of any privileges or a wallop across their backsides!

I really believe that today's children are given far too much (perhaps because both parents work and wish to compensate? Or its a wish to keep up with the so called Jones's!) In my day if we mis-behaved we got short shrift from our parents. Our only entertainment was the radio, a book, or the cinema if our parents could afford it. I received two shillings a week pocket money on a Saturday morning and that was it until the following week. We walked to and from school, at least a couple of miles each way; did we suffer because of this? No, we did not. Did we suffer when the local copper caught us scrumping? Of course we did, for a short while, from a clipped ear, but it was a lesson not to do it again.

Caning has been dropped from schools, you're not supposed to correct your children, National Service has been done away with, worse luck, as it taught discipline, awareness of others, plus working together and helping each other. It made men of them. Bring National Service back and there would be at least 95% that couldn't cope. I often sit and wonder what Bar Hill will be like ten years on with the vandalism to trees, property etc. Still, perhaps I may have moved on with my husband's retirement taking place during that time.

To Pet Owners

I like to take a walk along the grassed area beside the perimeter road. At one time it used to be a very pleasant walk, but not any longer, as one has to watch where one is walking because of dog's muck deposited about the place. How would those dog owners like it if I took a shovel, stick & bag to collect said dog's muck to deposit it on their lawns?

I am also sick of having my garden ruined by cats. I understand that cats can be trained to go in a certain place. I suggest those cat owners in my vicinity start trying it or I shall not be responsible for any actions taken!

Yours Faithfully

Mrs. M. T. Bramwell.

ROMANIAN CHALLENGE APPEAL

During the next few months, Val Carter, of Acorn Avenue, intends to visit Romania to help the children in one of the orphanages. She will be able to take essentials such as soap, toothpaste, etc., and will be pleased to accept and take with her any donations of such items.

A cake stall will be held in February to raise funds for Val's trip; the venue and date will be announced on posters around the village.

Your support for Val in this charitable venture will be much appreciated.

Further information may be obtained by telephoning 780146

We also know of a lorry which is going to Romania in February. Good, warm clothing is needed. If you have any coats, jackets, sweaters, etc. which you would like to send, please call Bridget (782707) or Bunty (781493), who will be pleased to collect any items.

Thank you for your help; it will be much appreciated.

Parish Council Notes

The monthly meeting of the Parish Council was held on Thursday, 16th January 1992, at 7.30 pm in the Old Farmhouse.

Provision of Youth Facility in Parish Council Workshop building

Mr. Dyer, who runs the weekly Coffee Bar at the Church Centre, had given his views on the above at the previous meeting in December. Mr. J. Wilson attended this meeting and showed an interest in organising a venture where the youth would participate in the preparation and running of a youth centre. It was agreed that a Building Inspector from South Cambs. District Council be invited to inspect the workshop to see whether alterations could be made to the building to provide the necessary facilities.

Wilcon Transfer

Wilcon are still ascertaining costings for the channeling of the stream.

"Riversprings Shopping Centre"

The proposals plans for this shopping centre have been withdrawn.

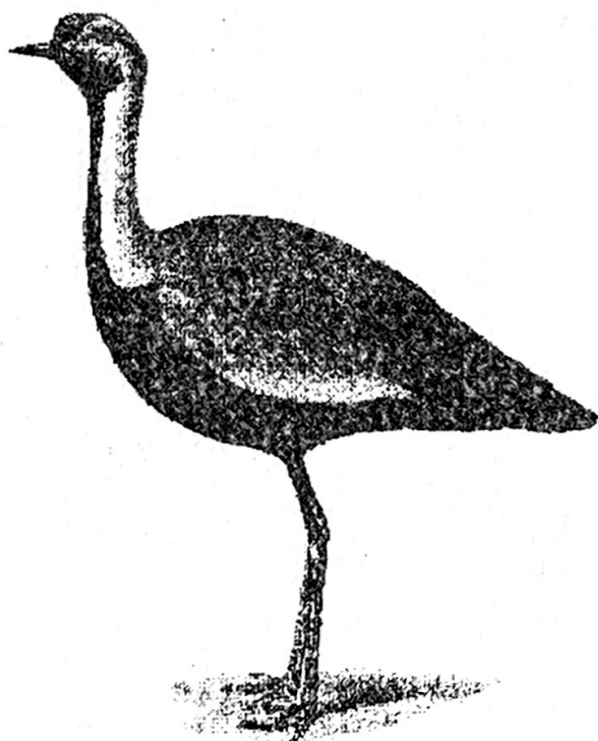

Bar Hill Parish

Bar Hill has now been designated as a Parish in its own right.

Tesco Stores - Sunday Opening

It was reported that the "Sunday opening" at Tesco is at present under review.

Cricket Club

The Annual General Meeting of the Bar Hill Cricket Club will take place at 8.00 pm on Monday 10th February at 1, The Fairway. We have applied to the Cambridge Cricket Association to put a second team into their Leagues so we expect an exciting season this year. As well as the League games we will have the usual friendly games so that there will be plenty of opportunity to play whatever your ability.

If you can't come to the AGM, but are interested in playing, please contact me at the address below.

Tony Moffat, Secretary, 1 The Fairway 782366

Tennis Club

The Bar Hill Tennis Club has now completed it's first full season, during which time we have introduced a Junior section.

We have had various activities, including both junior and adult tournaments, and also Fun days in the hope of tempting future members.

The AGM for the Tennis Club will be held on Thursday 5th March 8.00pm at the school.

If you would like to know more about the Club and our future plans or if you have any suggestions on how we can improve the Club for you or your children then please do come along and let us know.

Table Tennis Club

Bar Hill Table Tennis Club continues to meet every Tuesday evening at 8 o'clock in the large hall of the school. Not playing in a league, we cater for a wide range of standards and always welcome new members. If you haven't played for some time, don't worry - most of the existing members were in the same position when they first came along. We charge £1.20 subscription per evening.

We also have a few vacancies in our junior club, meeting from 7 to 8 o'clock each Tuesday and catering for children from 9 years upwards, for whom the subscription is 40 p per evening.

For further details, please get in touch with me on 781977 or just come along on a Tuesday evening - we look forward to seeing you.

The Adventure of Lewis the Letter

(by Carlo Russo)

Philip sent a birthday card to James

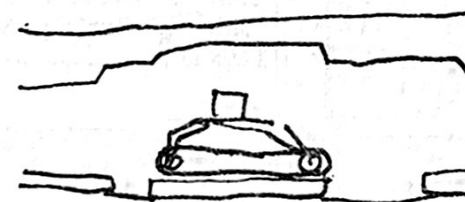

Lewis said to one of his friends "where are we ?"

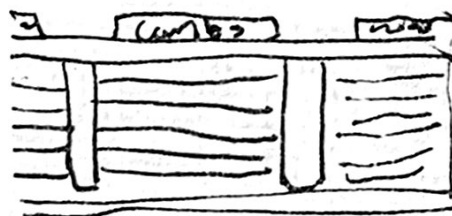

"Are we in a Post Box ?" said Lewis. "No we are in a letter bag".

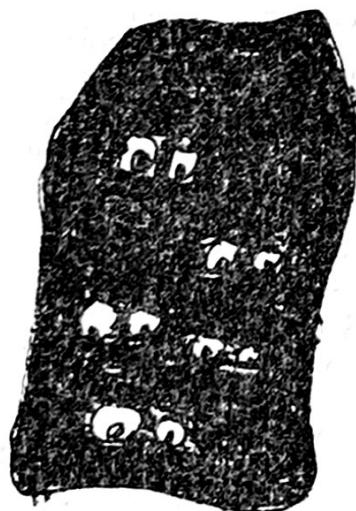

Philip put Lewis in a Post Box

Lewis went in to a machine

Lewis said to one of his friends who was going to the same house "Is it long until we get there ?" "No."

Lewis said "Its dark in here", Lewis met some other friends.

Freedom of choice

At the present time you have the choice of either getting your prescription from the doctors, having it filled for you whilst you are there, or taking it away and getting it filled elsewhere. It has been proposed that a Chemist shop opens in the Mall. If this happens you will no longer have a choice. You will have to take your prescription to the chemist to be filled as drugs etc. will no longer be dispensed from the Surgery. If you feel strongly about this proposal I urge you to make your feelings known to Miss M Martin, Cambridge Community Health Council, 21 Trumpington Street, Cambridge, CB2 1QA. There is also a petition to sign within the Health Centre. Please remember that a Chemist in the Mall would have to compete with Tesco and if it were not a viable proposition it would close, leaving Bar Hill without either a dispensary or a Chemist shop.

Happy Hours - Bar Hill Senior Citizens club

Welcome 1992 - Our Chairwoman and committee wish you all a very "Happy New Year". With our total numbers almost at the 90 mark we can only go from strength to strength. We feel sure that all our members enjoy themselves and thank you sincerely for all your support. We are planning a very comprehensive programme for 1992 and welcome all your suggestions; it is your club so let us hear from you. At our future Monday Meetings there will be a "suggestion box" so please fill it! We also have a notice board on which will appear from now on a copy of the Bi-Monthly Minutes of the Committee and matters relating to various events.

Birthday Party (November) &

Christmas Party (December)

We had 83 at the former and 77 at the latter, and from the numbers present both were a resounding success. The committee (men) feel that on behalf of the Club we should congratulate those wonderful ladies who did all the preparation, cooked in their own homes and served up so deliciously. What wonderful "young" ladies they were and we feel sure that all the members wish to add their entire appreciation of the voluntary tasks they undertake each week. By way of compensation we will be taking them all out for dinner on 28th February.

Carol Singers

Our sincerest thanks go to those cheerful souls who braved the elements Carol singing just before Christmas and raised the magnificent sum of £140. As you will recall, this was to raise funds for special equipment for the childrens ward at Addenbrookes hospital, being organised by Ruby Hunt. She sends her heart felt thanks to the singers and to all the people of Bar Hill who were so generous with their contributions.

Martin Franks and Jack Farmer

We are pleased to say that both are now out of hospital and making steady recovery, and indeed we are looking forward to seeing them both back in harness in the Club.

1992 outings

We will give details of our very long and comprehensive list of planned outings for the year, probably when Phyllis and I return from holiday (what again!). We will issue a calendar of events for your own retention so that you can fit them in with your own holiday arrangements.

Kessingland Beach holiday camp

We have had several enquiries as to what's happening in 1992. For the past two years we have enjoyed our stay at Kessingland but perhaps this year we need a change of venue. There is a possibility of 5 days and 4 nights at

a hotel on the Isle of Wight. The coach will pick us up at Bar Hill and convey us to Sandown. The cost of the ferry crossings and two coach outings will be included in the price, which will be in the region of £150. May looks like the time to choose? More later.

Edmund Hockeridge show - 18th February

We have taken up 40 tickets from the organisers for all those wanting to go. Full details will be given at a future Monday meeting.

Watch for Sid - it's your money he's after!

New members

On behalf of all the committee members and all other members we offer our congratulations to Geoffrey Ashby and Florence Cooper on joining the "Happy Hours" Club. May you enjoy the warmth and friendliness of its members in the years to come. We are delighted to have you.

Christmas Bazaar

Thank you all for your wonderful support at the Christmas bazaar, especially those members who contributed items for sale, and our sincere thanks to Olwyn Goodwin and Olive Barber who assisted on the stall. Our final total was £101.73. Marvellous.

Vic Smart

It is with sincerest regrets that we close this month's news with the death of Vic Smart on 4th January. Vic was one of the original committee members of "Happy Hours" and we could always look to him for strong support in all the things we undertook; especially that his car was at our disposal to convey members to Addenbrookes hospital, plus any other need that arose. Outside of "Happy Hours" Vic ran the meals-on-wheels for Bar Hill. He was also a very valuable member of the British Legion, performing the duties of both Treasurer and Poppy Treasurer. He was involved in several other things and when you consider how he devoted his life to the service of others what a magnificent man he was. He was "prince among men" and we won't see his equal again. The residents of the Village owe him a great deal for his great help and consideration for his fellow man, and to have done this at 78 was no mean achievement. Joan was always so heavily involved with Vic in all these pursuits and we offer our deepest and sincerest condolences to Joan and all the family on such a tragic loss.

He lived respected and died regretted.
